Labcorp and Naples Comprehensive Healthcare Announce Strategic Agreement for Lab Operations

July 11, 2024

Collaboration to improve access to testing services and the delivery of timely results for patients

BURLINGTON, N.C., July 11, 2024 —Labcorp (NYSE: LH), a global leader of innovative and comprehensive laboratory services, has entered into a comprehensive strategic collaboration with Naples Comprehensive Healthcare (NCH) in Southwest Florida to manage the daily operations of NCH's inpatient lab operations. Separately, Labcorp will begin to serve as the primary lab for NCH's physician network later this summer.

The new relationship combines important capabilities, experience and technologies from both organizations to enhance access to laboratory services and further the delivery of high-quality care.

"Labcorp is focused on delivering high-quality, cost-effective laboratory testing to health systems, physicians, patients, health plans and the communities we serve," said Lenny Monsour, Senior Vice President of Labcorp's Southeast Division. "We look forward to continuing to work with NCH to realize our shared mission to improve health outcomes for the people of Southwest Florida."

The organizations have been working together to plan and implement a smooth, thoughtful transition that maintains continuity of services for patients, hospitals, clinicians and clients, while providing direct access to the additional capabilities of Labcorp.

This relationship follows other strategic collaborations that Labcorp has established with a range of local and regional health systems that have enhanced services for patients and providers.
