Labcorp Announces Multi-Year Partnership with SOMOS IPA to Expand Access to High Quality, Affordable Laboratory Services for Patients Across New York State

February 9, 2026

BURLINGTON, N.C., February 9, 2026 - Labcorp, a global leader of innovative and comprehensive laboratory services, today announced the signing of a new multi-year partnership agreement with SOMOS, one of New York's largest Independent Practice Associations (IPAs) of community-based primary care and specialty providers. Under this agreement, effective Feb. 9, Labcorp will serve as the clinically integrated laboratory provider of choice for all SOMOS providers, care teams and patients.

"SOMOS is committed to providing high-quality and efficient care to the over one million patients we serve. With this transformational agreement, our providers and patients will gain access to the high-quality, timely and affordable laboratory testing they deserve," said Dr. Ramon Tallaj, SOMOS Founder and Chairman of the Board.

Through this partnership, SOMOS members will gain access to Labcorp's wide range of high -quality, cost-effective testing services supported by Labcorp's market-leading network of Patient Service Centers (PSCs) across the region. Patients will also benefit from reliable and timely testing results, digital tools that improve care coordination, and Labcorp's integrated clinical insights that help providers and patients make care decisions.

"Labcorp is passionate and fully committed to meeting the healthcare needs of SOMOS physicians and patients," said Bill Haas, Senior Vice President, Labcorp Northeast Division. "Through this new partnership, Labcorp and SOMOS will work hand-in-hand to improve access to high quality laboratory services including the availability of Labcorp proprietary digital tools like Diagnostic Assistant and Test Finder, that will seamlessly and affordably enhance patient care."
