

Laboratory Corporation of America(R) Enters Into a New \$350 Million Revolving Credit Facility

January 13, 2005

BURLINGTON, N.C., Jan. 13 /PRNewswire-FirstCall/ -- Laboratory Corporation of America(R) Holdings (LabCorp(R)) (NYSE: LH) today announced that it has entered into a new \$350 million senior credit facility with Credit Suisse First Boston and UBS Securities LLC, acting as Co-Lead Arrangers, and a group of seven other financial institutions. The new facility consists of a five-year revolving credit facility in the principal amount of \$350 million. The new facility will be used for general corporate purposes, including working capital, capital expenditures, funding of share repurchases and other payments and acquisitions. The Company's previous credit agreements, under which no loans were outstanding, were terminated upon the closing of the new facility.

The terms of the new facility include financial covenants governing total leverage and interest coverage as well as negative covenants limiting subsidiary indebtedness and certain other items customary for investment grade-rated borrowers. The facility fee and interest rate on the new facility are based on the Company's senior credit rating as determined by Standard & Poor's, which is currently BBB.
