

## **LabCorp(R) Scheduled to Present at the Goldman, Sachs & Company Global Health Care Conference**

June 11, 2002

BURLINGTON, N.C., Jun 11, 2002 /PRNewswire-FirstCall via COMTEX/ -- Laboratory Corporation of America(R) Holdings (LabCorp(R)) (NYSE: LH) today announced that Bradford T. Smith, executive vice president of public affairs, is scheduled to speak at the Goldman, Sachs & Company Global Health Care Conference in Dana Point, CA on June 12, 2002 at 12:20 p.m. Eastern Time (3:20 p.m. Pacific Time). Mr. Smith's presentation contains the guidance included in the presentations filed as 8-Ks on April 22, 2002 and May 9, 2002. The presentation will be webcast live, with a rebroadcast available for a period of 2 weeks, and may be heard online at [www.labcorp.com](http://www.labcorp.com).

The first national clinical laboratory to fully embrace genomic testing, Laboratory Corporation of America(R) Holdings (LabCorp(R)) has been a pioneer in commercializing new diagnostic technologies. As a national laboratory with annual revenues of \$2.2 billion in 2001 and over 19,000 employees, the company offers more than 4,000 clinical tests ranging from routine blood analyses to sophisticated molecular diagnostics. Serving more than 200,000 clients nationwide, LabCorp combines its expertise in innovative clinical testing technology with its Centers of Excellence. The Center for Molecular Biology and Pathology, in Research Triangle Park, North Carolina, offers state-of-the-art molecular gene-based testing in infectious disease, oncology and genetics. Its National Genetics Institute in Los Angeles is an industry leader in developing novel, highly sensitive polymerase chain reaction (PCR) methods for testing hepatitis C and other blood borne infectious agents. LabCorp's Minneapolis-based ViroMed offers molecular microbial testing using real time PCR platforms, while its Center for Esoteric Testing in Burlington, North Carolina, performs the largest volume of specialty testing in the network. LabCorp's clients include physicians, state and federal government, managed care organizations, hospitals, clinics, pharmaceutical and Fortune 1000 companies, and other clinical laboratories.

Each of the above forward-looking statements is subject to change based on various important factors, including without limitation, competitive actions in the marketplace and adverse actions of governmental and other third-party payors. Further information on potential factors that could affect LabCorp's financial results is included in the Company's Form 10-K for the year ended December 31, 2001 and subsequent SEC filings.
