

**FOR IMMEDIATE RELEASE**

## **LabCorp Named Laboratory Service Provider of the Pro Football Legends**

**MOUNT LAUREL, NJ and BURLINGTON, NC, December 17, 2014** – Pro Football Legends, the commercial marketing arm of the National Football League Alumni, Inc. (NFL Alumni) and Laboratory Corporation of America<sup>®</sup> Holdings (LabCorp<sup>®</sup>) (NYSE: LH) are pleased to announce that they have entered into an agreement for LabCorp to be a sponsor of Pro Football Legends. Under this agreement, LabCorp will offer to provide diagnostic testing services for NFL Alumni members and their families.

“This partnership tackles one of our highest priorities, which is helping our members manage their health needs,” said Joseph Pisarcik, President and CEO of the NFL Alumni. “Having been a LabCorp patient for many years, I couldn’t be more excited about forging this relationship for the benefit of our NFL Alumni members and their families.”

LabCorp will provide access to a comprehensive range of high quality diagnostic testing services, including blood work, to NFL Alumni members and their dependents. This arrangement for laboratory services follows earlier NFL Alumni initiatives to make other healthcare services available to its members, such as prostate and diabetes screening and discounted hearing aid technology. Although many former NFL players are healthy and financially secure, others face challenges in their post-football lives. The NFL Alumni’s mission is to serve, assist and inform former players and their families through medical, financial and social programs intended to help members lead healthy, productive lives.

The LabCorp program, which begins this month with the NFL Alumni’s Philadelphia and New York/New Jersey Chapters, will roll out nationally to all NFL Alumni chapters in the next 60 days. Laboratory services will be made available to NFL Alumni members and their dependents who don’t have health insurance.

“LabCorp is excited about this partnership, and we look forward to working with all NFL Alumni chapters across the U.S.,” said James T. Boyle, Jr., LabCorp’s Chief Operating Officer. “LabCorp and its employees have always been strong supporters of community-based efforts to expand access to healthcare, in addition to giving time and resources to support similar causes. We are pleased to implement this program with the NFL Alumni and its members.”

### **About the Pro Football Legends**

Pro Football Legends is the commercial marketing name and logo of the NFL Alumni Association, a nationwide group of former National Football League players, coaches and other employees whose mission is to serve, assist and inform former players and their families. The association offers a variety of medical, financial and social programs to help members lead healthy, productive and connected lives, as well as community initiatives under its “Caring for Kids” programs.
