

### **Cautionary Statement Regarding Forward-Looking Statements**

*This webcast contains forward-looking statements, including, but not limited to, statements with respect to the impact of various factors on operating and financial results, future business strategies, expected savings and synergies, the opportunities for future growth, and estimated 2020 guidance and the related assumptions. Each of the forward-looking statements is subject to change based on various important factors, many of which are beyond the Company's control, including without limitation, competitive actions and other unforeseen changes and general uncertainties in the marketplace, changes in government regulations, including healthcare reform, customer purchasing decisions, including changes in payer regulations or policies, other adverse actions of governmental and third-party payers, changes in testing guidelines or recommendations, the effect of public opinion on the Company's reputation, disruptions to the business from pandemics, epidemics, or public health emergencies (such as the coronavirus), adverse results in material litigation matters, the impact of changes in tax laws and regulations, failure to maintain or develop customer relationships, our ability to develop or acquire new products and adapt to technological changes, failure in information technology, systems or data security, changes in business conditions and the economy in general, adverse weather conditions, employee relations, and the effect of exchange rate fluctuations. These factors, in some cases, have affected and in the future (together with other factors) could affect the Company's ability to implement the Company's business strategy and actual results could differ materially from those suggested by these forward-looking statements. As a result, listeners are cautioned not to place undue reliance on any of our forward-looking statements. The Company has no obligation to provide any updates to these forward-looking statements even if its expectations change. All forward-looking statements are expressly qualified in their entirety by this cautionary statement. Further information on potential factors, risks and uncertainties that could affect operating and financial results is included in the Company's most recent Annual Report on Form 10-K, including under the heading RISK FACTORS, and in the Company's other filings with the SEC. The information in this webcast should be listened to in conjunction with a review of the Company's filings with the SEC including the information in the Company's most recent Annual Report on Form 10-K, under the heading MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS.*
