LabCorp Subsidiary Sequenom, Inc. Announces Early Tender Results for Tender Offers and Successful Completion of Consent Solicitations for 5% Convertible Senior Notes Due 2017 and 5% Convertible Senior Exchange Notes Due 2018

BURLINGTON, NC and SAN DIEGO, CA, September 30, 2016 -- Sequenom, Inc. (“Sequenom”), a wholly-owned subsidiary of Laboratory Corporation of America® Holdings (LabCorp®) (NYSE: LH), announced the results, as of 5:00 p.m., New York City time, on September 29, 2016 (the “Early Tender and Consent Payment Deadline”), of (A) the cash tender offers (the “Tender Offers”) for any and all of the outstanding 5% Convertible Senior Notes Due 2017 (CUSIP No. 817337 AB4, the “2017 Notes”) and 5% Convertible Senior Exchange Notes Due 2018 (CUSIP No. 817337 AC2, the “2018 Notes” and, together with the 2017 Notes, the “Notes”) issued by Sequenom, and (B) the solicitations (the “Consent Solicitations”) of consents of the holders of Notes (the “Consents”) to enact certain proposed amendments (the “Proposed Amendments”) to the indentures governing the Notes to eliminate various reporting obligations and restrictive provisions related to the incurrence of indebtedness, as well as make certain other changes in the indentures. The Tender Offers will expire at 5:00 p.m., Eastern Time, on Monday, October 17, 2016, unless extended or terminated (the “Expiration Date”).

As of the Early Tender and Consent Payment Deadline, (i) a total of \$44,841,000 aggregate principal amount of the outstanding 2017 Notes, representing approximately 99.647% of the outstanding 2017 Notes, were validly tendered (and not validly withdrawn) and (ii) a total of \$85,000,000 aggregate principal amount of the outstanding 2018 Notes, representing 100.00% of the outstanding 2018 Notes, were validly tendered (and not validly withdrawn) in the Tender Offers. All tendered Notes were accompanied by Consents to the Proposed Amendments.

As a result, as of the Early Tender and Consent Payment Deadline, Sequenom received the requisite Consents from holders of at least a majority of the outstanding principal amount of both series of Notes to meet the Consent Condition and to adopt the Proposed Amendments. On September 29, 2016, Sequenom and the trustee for the Notes entered into a supplemental indenture to each of the indentures governing the 2017 Notes and the 2018 Notes (the “Supplemental Indentures”), giving effect to the Proposed Amendments. The Supplemental Indentures are binding as of their execution and will become operative on the settlement date of the Tender Offers (the “Settlement Date”), which is expected to occur on October 20, 2016.

Sequenom will accept for purchase such amount of 2017 Notes and 2018 Notes properly tendered and not validly withdrawn in the Tender Offers as of the Early Tender and Consent Payment Deadline. Holders whose 2017 Notes were validly tendered and accompanied by a Consent on or before the Early Tender and Consent Payment Deadline, and not withdrawn, will receive, in respect

of each \$1,000 principal amount of 2017 Notes, the “2017 Total Consideration” of \$1,037.50 plus Accrued Interest (such price being rounded to the nearest \$0.01 per \$1,000 principal outstanding amount of Notes) on the Settlement Date. Holders whose 2018 Notes were validly tendered and accompanied by a Consent on or before the Early Tender and Consent Payment Deadline, and not withdrawn, will receive, in respect of each \$1,000 principal amount of 2018 Notes, the “2018 Total Consideration” of \$1,046.25 plus Accrued Interest (such price being rounded to the nearest \$0.01 per \$1,000 principal outstanding amount of Notes) on the Settlement Date.

Holders who validly tender their 2017 Notes after the Early Tender and Consent Payment Deadline but on or prior to the Expiration Date and do not withdraw their tender will not receive the respective Total Consideration but will be eligible to receive, in respect of each \$1,000 principal amount of 2017 Notes tendered, the “Purchase Price” of \$1,000.00, plus accrued interest to but excluding the Settlement Date. No tenders of Notes will be valid if submitted after the Expiration Date.

The Tender Offers and Consent Solicitations are being made pursuant to an Offer to Purchase and Consent Solicitation Statement, dated September 16, 2016 (as supplemented on September 22, 2016, and as amended or further supplemented from time to time, the “Offer to Purchase”) and the accompanying Consent and Letter of Transmittal.
