**Labcorp Cautionary Statement Regarding Forward-Looking Statements**

*This press release contains forward-looking statements, including but not limited to statements with respect to the impact of various factors on operating and financial results and the opportunities for future growth.*

*Each of the forward-looking statements is subject to change based on various important factors, many of which are beyond the Company's control, including without limitation, the impact of the COVID-19 pandemic on our business and financial condition as well as on general economic, business, and market conditions, competitive actions and other unforeseen changes and general uncertainties in the marketplace, changes in government regulations, including healthcare reform, customer purchasing decisions, including changes in payer regulations or policies, other adverse actions of governmental and third-party payers, the Company's satisfaction of regulatory and other requirements, patient safety issues, changes in testing guidelines or recommendations, federal, state, and local governmental responses to the COVID-19 pandemic, adverse results in material litigation matters, failure to maintain*

*or develop customer relationships, our ability to develop or acquire new products and adapt to technological changes, failure in information technology, systems or data security, changes in business conditions and the economy in general, adverse weather conditions, the number of revenue days in a financial period, employee relations, personnel costs, and effect of exchange rate fluctuations. These factors, in some cases, have affected and in the future (together with other factors) could affect the Company's ability to implement the Company's business strategy and actual results could differ materially from those suggested by these forward-looking statements. As a result, readers are cautioned not to place undue reliance on any of our forward-looking statements.*

*The Company has no obligation to provide any updates to these forward-looking statements even if our expectations change. All forward-looking statements are expressly qualified in their entirety by this cautionary statement. Further information on potential factors, risks and uncertainties that could affect operating and financial results is included in the Company's most recent Annual Report on Form 10-K and subsequent Forms 10-Q, including in each case under the heading RISK FACTORS, and in the Company's other filings with the SEC.*
