LABCORP COMPLETES ACQUISITION OF PERSONAL GENOME DIAGNOSTICS

BURLINGTON, N.C., Feb. 21, 2022 — [Labcorp](#) (NYSE: LH), a leading global life sciences company, today announced that it has closed its acquisition of Personal Genome Diagnostics Inc. ([PGDx](#)), a leader in cancer genomics with a portfolio of comprehensive liquid biopsy and tissue-based products. The addition of PGDx and its technology complements and accelerates Labcorp's existing liquid biopsy capabilities and expands Labcorp's leading oncology portfolio of next-generation sequencing (NGS)-based genomic profiling capabilities, positioning Labcorp at the forefront of driving better patient outcomes in oncology.

The [definitive agreement](#) for the transaction was announced on Dec. 23, 2021.
